2024-2025 Curriculum Overview and Highlights

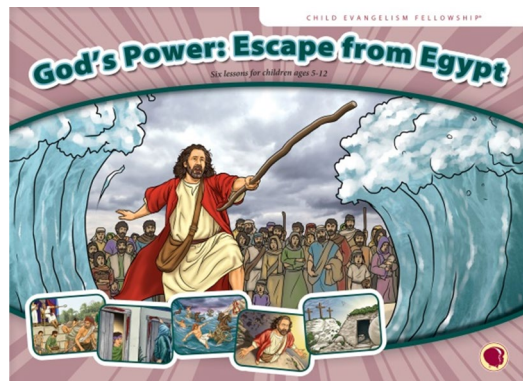

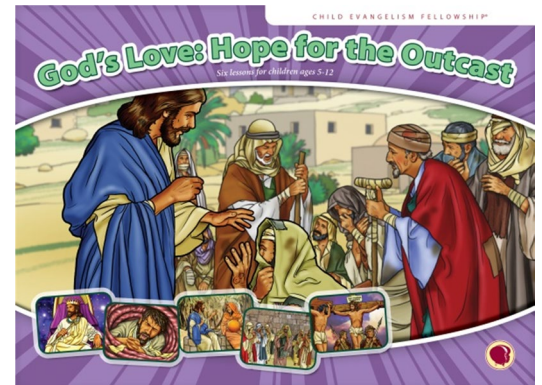

Children need Jesus! How will they know Him unless they are taught? *CEF Press®* is committed to provide Bible lessons which uphold the truths of Scripture and follow the teaching methods as taught in the *Children's Ministries Institute®*. We also strive to provide effective teacher helps, resources, and examples that are relevant and practical to the many needs of today's children.

Start this year with this space-themed back to school party. ***Blast Off! The Story of Johannes Kepler*** uses the wonders of the universe to help children learn that God the Creator has power to save them from sin and take care of them.

Begin your club year with the foundational Bible lesson series ***God's Love: Hope for the Outcast*** to introduce children to foundational truths of the Christian faith. Although we are all born outcasts, separated from God's presence because of sin, God reaches out to all people, offering them a relationship with Him now and forever.

Missionary story: ***Joni Eareckson Tada***

God's Power: Escape from Egypt Bible lesson series gives children a "big picture" look at what God was doing through Moses and how that fits into the greater redemption story. Lessons cover Moses's birth through the giving of the Ten Commandments.

Missionary story: ***The Pinedas: Faith in the Storm***

In this Christmas Party Club™ lesson, **Light of Life**, children will learn how God created and used light in amazing ways to announce the birth of the Savior! Jesus is the light of the world and those who believe in Him can share God’s light with others. For Christmas Party Clubs taught by new *Child Evangelism Fellowship*® workers, an alternative curriculum is available. **I Don’t Want Your Money** is a story of John, an orphan boy who finds a new home. When told he would inherit everything, John realizes that he would rather be ready for when Jesus returns.

Following Israel’s escape from Egypt, God continued to extend His mercy and faithfulness to them. **God’s Faithfulness: Return to Canaan** will encourage children to trust God and His plan for their lives.

Missionary story: **Isobel Kuhn**

Jesus: God Who Saves covers the final days of Jesus’ life on Earth from His triumphal entry to His death, resurrection, and ascension.

Missionary story: **The Burnhams**

This Easter, teach children how the King of kings died to pay for their sins and is now alive! **The King’s Crown** will help children learn that Jesus, the mighty King of kings, clothed Himself as a servant and a sacrifice to become the Savior of the world.

Sing About the King 3 Music CD includes all 38 songs suggested with these lessons.

We trust this year’s curriculum will be a blessing to you and will help you meet the needs of the children you teach. Please contact usa@cefonline.com to provide feedback on any *CEF Press* product. We always appreciate your help and feedback as together we reach children with the Gospel.
