Dear Community Partners:

First, let us introduce ourselves. Child Evangelism Fellowship is an organization that brings the Gospel of Jesus Christ to children in your communities. We disciple them in God's Word and establish them in local churches where they can continue to grow in their Christian lives.

We need your help! CEF receives no government funding. Programs and operations are made possible through the generosity of donors, like you. For further information about our mission, please visit www.cefsgv.org

I am contacting you to request your support for our upcoming event on **October 28, 2023**, at **Azusa Pacific University in their Cougar Athletic Stadium**. This event is a celebration for our organization where families in the community can come to celebrate our accomplishments for this year! Financial support is extremely important to CEFSGVC as we rely on donations to provide a wide variety of free support programs and services in the community, which are greatly needed and valued by children.

We cordially invite you to contribute by:

- Donating a raffle item (ex. gift baskets, gift cards, coupons, etc.)
 - Offering a business corporate donation by visiting the website at <https://cefsgv.org/donate>
 - Participating in the event by having your own booth to promote your business!
- If you are interested please call **(626) 445-5810** or email cefsgv@gmail.com

We will contact you to follow up regarding your contribution and to share information about the event. Please outline how you wish to be recognized through our event, and contact us if you have any questions.

With your generous support, Child Evangelism Fellowship San Gabriel Valley Chapter will continue to fund Good News Clubs, CYIA, JYC, and other services that make a difference in the lives of children and their families.

Thank you for your consideration.

Blessings,

Child Evangelism Fellowship SGVC

In the evangelization of the world, the supreme mission of the people of God in this age is to preach the Gospel to every creature. Special emphasis should be placed upon the evangelization of children.
