

"I never really thought that I would ever be in ministry. But God used my summer at CYIA to show me *HIS* plan for me. I would wish that ANY teen would get to have the amazing experience I had learning *real* skills and gaining the tools to better serve, grow, and lead for Christ!"

— a former CYIA student

"CYIA was among the most powerful and effective spiritual maturing tools that God has ever used in the lives of my children."

— a mother of two CYIA students

"We had a real need for Sunday school teachers and mid-week teachers. Because of getting our teenagers involved in CYIA and giving them opportunities to serve, they have a holy boldness to impact not only their peers, but also the next generation. Our church grew from 6 to 200 teenagers involved in our programs."

— a local senior pastor

MAKE A Difference
This Summer

CEF
CHILD EVANGELISM
FELLOWSHIP®

Since 1937

Reaching children worldwide™

GOD CAN CHANGE THE WORLD THROUGH YOU ONE CHILD AT A TIME!

Have you ever wanted to go on a **missions** trip, but cost, timing, or distance made it impossible?

Are you a young Christian who wants to **serve God**, but you're not sure exactly **how** to do that?

Could you use a few more Godly Christian friends who **truly** care about you spiritually and want what's **really** best for you?

Do you want to make a **difference** in this world for Christ, not just talk about it?

Now's the time to prayerfully consider *Christian Youth In Action!*[®]

What's *Christian Youth In Action?*

In CYIA™, young people are trained to effectively share the Gospel message with children through Bible lessons, songs, memory verses, and more. Then they serve in various local summer ministries with the *5-Day Club*[®] program as the main focus.

Students who enroll will attend a one week in-depth training with students from all over Southern California. This is a great opportunity for any young person interested in missions and children's ministry.

Who participates in CYIA?

Christians ages 14 and up may apply for CYIA training and serve as a Summer Missionary.

How long is CYIA?

Training takes place June 21-27, 2025 and Summer Missionaries commit to serving in *5-Day Club* ministry for 2-4 weeks of the

summer.

Place text here that introduces your organization and describes your specific products or services. This text should be brief and should entice the reader to want to know more about the goods or services you offer.

Like missionaries, each participant is responsible for raising support to help cover their training costs & materials. A donation of \$50 is due upon completion of the online application. Each student will help raise an additional \$550 to cover their expenses. CEF[®] staff will coach and assist throughout the process.

What's a *5-Day Club*?

A 90-minute club for kids held during the summer months in backyards, community centers, and parks for 5 consecutive days where the Gospel is presented clearly through Bible lessons, a Missionary story, exciting games, songs, and more! CYIA students receive full training to conduct clubs with their team.

Will I serve by myself?

CYIA students come from all over Southern California. Locally, you will serve within a team comprised of fellow young people from your Chapter area.

This sounds amazing! How do I start?

- » **PRAY** for God's clear guidance
- » **APPLY** to serve at www.cefsoca.com/training/cyia
- » **RAISE SUPPORT** under the guidance of your local chapter leader to help cover your training and material costs
- » **TRAIN** starting with a pre-training event with your local chapter, then attend CYIA at The Master's University June 21-27, 2025 with other teens and CEF staff
- » **SERVE!** After training is complete, you'll be fully equipped to use your new skills directly through *5-Day Club* and other local CEF children's outreaches over the summer
