

# 1 READ ABOUT IT!

“Your word is a lamp to my feet and a light to my path.”

—Psalm 119:105

# 2 THINK ABOUT IT!

Have you ever tried to walk around a dark room? Did you hurt your toe or run into anything? A light helps you if you're in the dark! God's Word is like a light to our life—every day it can help you stay away from sin and things that are bad for you. As you read, learn, and think about God's Word, you will grow to know and love God more.

Find the path through the maze.

# 3 PRAY ABOUT IT!

Ask God to help you think about and remember what the Bible says. Ask Him to give you wisdom to know what is right and the courage to do it.

You've learned all of The Lord's Prayer! See if you can say all of it without looking. If you need help, hold this paper up to the mirror to see all of the verses.

Matthew 6:13  
And lead us not into temptation,  
as we also have forgiven our debtors,  
and forgive us our debts,  
Give us this day our daily bread,  
Your kingdom come, Your will be done,  
hallowed be Your name.  
“Our Father in heaven,  
Pray then like this:

# Quiet Time

**WORD UP!** Jesus is God—Listen to Him!

This is the final verse of The Lord's Prayer you have been learning.

“And lead us not into temptation,  
but deliver us from evil.”

## Matthew 6:13

There are people, movies, books, and many other things that tell you what you should do and how you should live. How do you know which voices to listen to? Jesus is the best one for you to listen to and obey because He is perfect and never makes mistakes. Sometimes you might feel like doing things your own way instead of the way God says in the Bible. But God knows everything—He knows best so you should listen to Him. Sometimes you will be tempted to do wrong things, but you can remember that God's way is best. This week as you do your Quiet Time, you'll learn more about listening to Jesus and saying no to temptation.

When you learn something new or you are reminded of something important, write it down or draw it in the box below. Then tell someone about it!

When you finish your Quiet Time each day, color in one ear.
