### What is JYou Connection (JYC)?

JYC is where young teens develop a deeper understanding of the Bible and their relationship with Jesus. It provides an opportunity for them to hear the Gospel, grow in their Christian walk, and learn the importance of missions and Christian service by getting involved in serving others.

### What is the purpose of JYC?

In JYou Connection (JYC), the students will start to learn how to teach God's Word alongside their Bible teachers. Teaching Biblical truth can help children develop a committed walk with Jesus Christ, offer real life solutions backed by the power of God's Word, improve attitudes and behavior at home and at school, offer the moral foundation needed to combat the pressures of living in today's world and provide hope for hurting kids. JYC intends to inspire these young teens to participate in our young adult training program Christian Youth In Action (CYIA) once they attend high school.
