- Praise God for the **2001 Supreme Court** ruling that allows our Good News Club to have equal access in America's public schools!
- Pray for **more Good News Club®** to be started all across San Gabriel Valley area, especially now.
- Pray **school principals and teachers** will welcome Good News Clubs into their schools - and pray that even if they are forced by law to allow these clubs, their hearts will be softened to Christ when they see the difference it makes in the grades, attitude, and behavior of students.
- Pray the Lord of the harvest will raise up many more volunteers and workers to help teach children about Jesus - **Child Evangelism Fellowship® needs more volunteers!** (Luke 10:2 is a focused prayer for CEF®)
- Pray that the **hearts of children** will be open to Jesus - that they will come to know Him early and be saved from a lifetime of unbelief, tragic sins and other problems.
- Pray God will **multiply your investment** to have an eternal impact on thousands of children we reach every year.
